

Drug Facts

Active ingredient (in each caplet)	Purpose
Caffeine 200 mg	Alertness aid

Use • helps restore mental alertness or wakefulness when experiencing fatigue or drowsiness

Warnings

For occasional use only

Caffeine warning: The recommended dose of this product contains about as much caffeine as a cup of coffee. Limit the use of caffeine-containing medications, foods, or beverages while taking this product because too much caffeine may cause nervousness, irritability, sleeplessness, and, occasionally, rapid heart beat.

Do not use

- in children under 12 years of age
- as substitute for sleep

Stop use and ask a doctor if fatigue or drowsiness persists or continues to recur

If pregnant or breast-feeding, ask a health professional before use.

Keep out of reach of children. In case of overdose, get medical help or contact a Poison Control Center right away.

Directions

- adults and children 12 years of age and over: take 1/2 to 1 caplet not more often than every 3 to 4 hours

Other information

- store at controlled room temperature of 20-25°C (68-77°F)

Inactive ingredients

carnauba wax, corn starch, FD&C blue #1, hypromellose, microcrystalline cellulose, povidone K30, propylene glycol, stearic acid, sucrose, titanium dioxide
